Our Teen Program offers high-quality training on a drop-in basis. Students progress faster if attendance is consistent, but our pay-as-you-go Teen Class Card policy offers flexibility to teens with busy schedules and other commitments. Upon enrollment, our faculty will help make sure you are in the right class for your ability and experience. Students who are interested in more classes per week, please ask your instructor for a level placement for Professional Program classes. If you are placed in a student level, you may use your card for drop-in classes for the Professional Program as well.

THE FIRST CLASS IS FREE — try us at no risk! Download a Waiver of Liability form from our website, have it signed by your parent/guardian and bring it with you to the class.

The Teen Program requires an annual \$50 Registration Fee upon enrollment (each September).

An Enrollment Form must be completed and signed by a parent or legal guardian prior to first class.

TEEN CLASS RATES:

Purchase 1-3 classes for \$20 each

Buy 4 or more at a time and pay just \$15 per class

Teen Class Cards may be purchased for any number of classes. A list of Teen and Adult students is posted next to our office door with a current list of classes left on each student's card. Cards stay in our office, where we keep track of your attendance and update the posted list weekly. To receive the \$15 rate, classes must be paid for in advance. If the office needs to contact you for payment of a class after the fact, the rate will be \$20 per class.
